

Lakes Area Gymnastics Booster Club

PO BOX 143

Perham, MN 56573

The Lakes Area Gymnastics Booster Club has been active for nearly 11 years and in that time has supported over 400 gymnasts. As a non-profit 501C Corp organization we have been able to provide travel, coaching and apparel for our gymnasts. Our goal is to provide financial support to these young girls and boys in pursuing their athletic goals and dreams.

There are, however, many expenses connected with running the club. Our funds are primarily generated by fundraising events and the support of local businesses. Our events are well attended by local parents and an increasing number of spectators from the local community.

Sponsoring Lakes Area Gymnastics Booster Club is a great way to reinvest in your community. By becoming a sponsor your business's receiving repeat exposure as students and parents return to our facility on a daily basis. Your business will be identified as a community participant in support of our young athletes. You will be contributing to the self esteem, confidence and character of your community's young people while creating awareness and positive image of your product or service.

Our semi-annual advertising program is our biggest source of revenue and provides a chance to offer financial support and promote your business at the same time. You get a HUGE 2' by 8' sign on the wall in the Larry Hauer gymnasium at Perham High School for 2 full years for the LOW cost of \$ 300.00.

Your sponsorship is not only an investment in the lives of these young athletes, but an investment in your business. More importantly, our athletes learn many valuable lessons through their participation in this demanding sport. They learn mental toughness, discipline, and time management skills that they will use throughout their lives.

Thank you for your time in considering a donation or sponsorship. It is through the generous support of people like you that our gymnasts have the opportunity to participate in this awesome sport and learn life-long lessons about fairness, fitness, fun, cooperation, winning, losing, grace and dignity. We hope we can count on your support.
